

# Branch Policy Regarding Hats, Sunglasses and Hoods

Policy established to protect members and employees.

The safety of our members and employees is our highest concern. To help reduce crime and to protect our members, branch visitors and staff, it is our policy to ask anyone entering our building to remove their hats, sunglasses and hoods or other items that might potentially conceal their appearance.

We understand there might be special circumstances in which members may not be comfortable removing their hat in public. In situations like these, our branches are authorized to allow members to turn their hats to the back in order to conduct their business.

Members Exchange Credit Union posted signs on the lobby doors regarding no hats, no sunglasses and no hoods upon entering the branch locations.
