Top 100 Credit Unions

S&P Global
Market Intelligence

National Recognition

MECU ranked #41 in S&P Global Market Intelligence's 2022 Top 100 Credit Unions in the nation. And the only CU from the state of MS to make the cut! What an excellent year! The rankings were calculated based on five metrics: member growth; total number of loans per member; net worth as a percentage of total assets; delinquent loans as a percentage of total loans; and return on average assets.
