*By participating in Members Exchange's Skip a Payment program, you request that Members Exchange defer your loan payment(s) as indicated. You understand that in order to participate, your account must be in good standing and loan must be current and paid as agreed (no payments made over 60 days late in the past 12 month period), and the loan must not be more than 15 days delinquent. **In order to qualify**, twelve (12) monthly payments must be made since loan inception and your loan(s) cannot have had an extension or modification granted within the last 12 months. You agree and understand that: 1) Interest will continue to accrue at the interest rate provided in your original loan agreement, during and after this time; 2) deferring your payment will result in you having to pay more interest than if you made your payment as originally scheduled; 3) the payment deferral will extend the terms of your loan(s), and you will have to make extra payment(s) through that new term date; 4) you will be required to resume your payments the following month; 5) a fee will be charged for this service at the time the request is processed; and 6) Skipping a payment and late payment fees may reduce the amount of a Guaranteed Asset Protection (GAP) claim. Please refer to your GAP Policy for complete information. If you elected GAP or Warranty Coverage, the coverage will not be extended beyond the original maturity date. You understand that your next regular payment will be due on the scheduled payment due date following the MONTH you have elected to skip a payment. You also understand that any credit life and/or credit disability insurance on your loan will not extend beyond the original maturity date of the loan. **This offer does not apply to mortgage or home equity loans, credit cards, member savings loans, or to loans that are currently being paid by credit life/disability insurance. For members in certain credit categories only. Ask for details.***
