

HOW TO INITIATE AN EXTERNAL TRANSFER

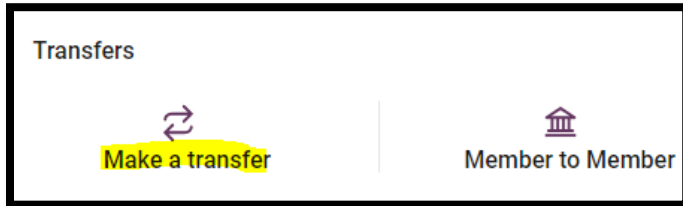

There are several options to make a transfer. On the dashboard, you can click the transfer icon.

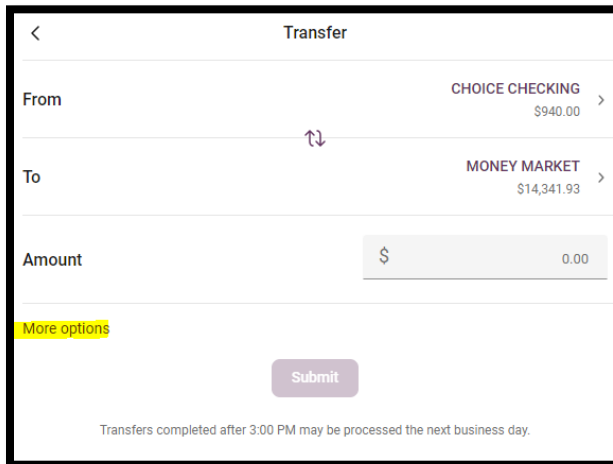

Select that option from the dashboard menu.

From the dashboard, select the Transfers card.

The Transfer box will open. Select More options.

Select the account where the funds will be transferred from and select where the funds will be transferred. Click where highlighted to see more options.

From CHOICE CHECKING \$940.00 >

To MONEY MARKET \$14,341.93 >

Click on the financial institution's name if it's an external transfer.
